

Anti-Bullying Policy

Implemented - October 2021 Review - October 2022

Policy Statement

The aim of the Policy is to ensure that procedures are in place to challenge bullying effectively, to improve the safety and happiness of students, show the Provision cares and makes it clear to bullies that their behaviour is not acceptable.

It is essential that students can learn in a supportive, caring and safe environment without fear of being bullied. Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated.

Bullying is defined as a deliberate attempt to hurt, tease, torment, threaten or frighten someone, repeated over a period of time, where it is difficult for those being bullied to defend themselves.

At **Manchester Top Team** bullying and any other forms of intimidation such as peer-pressure and/or peer on peer abuse will not be tolerated. This includes all the protected characteristics of the 2010 Equality Act which includes racism, sexism, homophobia, biphobia and transphobia. All will come to school without fear and will be safe in school.

Everyone will be vigilant and will intervene promptly to intervene if there are any signs or reports of bullying including cyber-bullying

We seek to:

- Actively listen to our young people.
- Act appropriately on information and advice received in order to ensure that a safe, secure, positive environment exists.
