Aims and Values

Our provision ethos states: At Manchester Top Team we aim to promote equality and tackle any form of discrimination and actively promote harmonious relations in all areas of provision life. We seek to remove any barriers to access, participation, progression, attainment and achievement. We take seriously our contribution towards community cohesion.

At Blackwell Education we seek to:

- Eliminate Discrimination
- Advance Equality of Opportunity
- Foster Good Relations

We aim to:

- provide a secure environment in which all our children can flourish and achieve all five outcomes of 'Every Child Matters' (be healthy, stay safe, enjoy and achieve, make a positive contribution, and enjoy economic wellbeing);
- provide a learning environment where all individuals see themselves reflected and feel a sense of belonging;
- prepare children for life in a diverse society in which children are able to see their place in the local, regional, national and international community;
- include and value the contribution of all families to our understanding of equality and diversity;
- provide positive non-stereotyping information about different groups of people regardless of protected characteristics under the law (disability, gender, race, sexual orientation, religion or belief, gender reassignment and identification and pregnancy / maternity);
- plan systematically to improve our understanding and promotion of diversity;
- actively challenge discrimination and disadvantage;
- make inclusion a thread which runs through all our activities.

To achieve these aims we will:

- involve stakeholders in the development, review, evaluation, and impact assessment of all relevant improvement plans, policies and procedures;
- publish and share our policies with the whole community;
- collect and analyse data to ensure all groups are progressing well and no group is subject to disadvantage;
- use all available information to set suitable learning challenges for all, respond to pupils' diverse needs and overcome any potential barriers to learning;
- ensure that the wider provision curriculum makes explicit and implicit provision to promote and celebrate diversity;
- have high expectations of behaviour which demonstrates respect to others;
- ensure that all reasonable adjustments are made to ensure equality of opportunity.
